Sprint:	WDI Sprint 12		

Description

**Name:** Inconsistencies in the marking of tabs with the specification

**Steps:**

1. Finding your bookmarks

**Expected result:** Four tabs marked with an image on the left and the tab name.

**Current result:** 1 tab missing and no image marking for the "History" tab.

**Environment:**

- system type: 64-bit operating system , x64 processor
- version: Windows 10 Home

**Priority:** Medium - Missing a tab prevents you from fully using the app.

**Repeatability:** The error occurs every time the application is launched.
