Description

Name: Check the drop-down list of themes and the actions of the selected themes.

Preconditions: Running application.

Steps:

1. Expanding the drop-down list with themes.

2. Select a theme: Light

3. Select a theme: Dark

4. Select a theme: System

5. Select a theme: High Contrast.

Expected Result: Theme changes immediately after selection. The default theme is: Light

Comment: Default theme set to "System". The "Dark" and "System" themes are the same. The "High Contrast" theme does not change the theme.
