Description

Name: Checking the operation of the "Dalej" button in the exam window.
Preconditions: Running application.
Steps:

1. Pressing the "Egzamin" button
2. Selecting the number of questions from the drop-down list.
3. Pressing the "Zacznij egzamin" button
4. Select the answer.
5. Press the "Dalej" button.

Expected result: Selection of the next question. For the last question, the "Dalej" button is disabled.
Comment: The "Dalej" button on the left where the "Cofnij" button should be is disabled for the first question.
