Description

Name: Checking the operation of the "Egzamin" button.
Preconditions: Running application.
Steps:

1. Pressing the "Egzamin" button.

Expected result: The appearance of an exam tab with a list of exam names on the left and a drop-down list with the number of questions with values (10, 20, 30, 40, 60), where the default value is 10. On the right there is a "Zacznij egzamin" button
Comment: The value 60 is missing in the drop-down list. There is an option to select <href_quest_ammount_5>. Default value set to 20.
