Description

Name: Completion of the exam in the examination panel.
Preconditions: Running application.
Steps:

1. Pressing the "Exam" button
2. Selecting the number of questions from the drop-down list.
3. Pressing the "Start Exam" button
4. Answer the selected number of questions.
5. Press the "End Exam" button.
6. Selecting "Yes" in the window that appears.

Expected result: Completion of the exam and transfer to the "History" tab, where the results of the last exam are at the top of the list.
Comment: The button does not end the exam. The message window disappears and the user remains in the examination panel for the last question.
